

AIDS/HIV Patient Counseling Competition & Guest lecture

On World AIDS Day - 1st December, 2016

To commemorate the World AIDS Day 2016, Volunteers under National Service Scheme (NSS) program, Krupanidhi College of Pharmacy, organized Patient counseling Competition for Pharm.D students at MVJ Medical College and Research Hospital. An invited lecture was arranged before starting the completion by Mrs. Rajeswari, Associate Professor, KCP.

The invited Guest Dr. Shakila from HIV/TB department, Public health, given of Karnataka delivered a talk on Importance of Patient Counseling in HIV/AIDS/TB patients. She explained the techniques of Pre-test & Post-test counseling with GATHER concept for the benefit of practicing students.

The competition was judged by Dr. Shakila & NSS team coordinator, and the well performed students were appreciated with Certificate from NSS Cell.
